

*CHRISTMAS TIME*

*AT THE GRISONS MOUNTAINS*

We are glad to have you here at the  
Valbella Resort\*\*\*\*s during Christmas Days.

Let the Valbella Resort be your home at  
the Grisons mountains while you enjoy an  
unforgettable Christmas:

Relax in the winterly Grisons mountains,  
discover slopes and nature covered with snow  
by skiing, snow hiking, cross-country skiing,  
snowboarding...

Back home at the Valbella Resort you may enjoy  
a hot tea or coffee at the chimney or take a rest  
at the Spa.

Besides this, we offer a special Christmas program  
to introduce you to some typical Grisons Christmas  
habits and make this Christmas a very special one.

Both of the restaurants at the Valbella Resort  
serve a special Christmas Dinner: You may choose  
between a classical dinner at the restaurant  
Capricorn or a Fine-Crafted dinner cooked on  
beechwood fire or a festive Goose roast menu at  
the restaurant Fastatsch...

WE ARE LOOKING FORWARD TO  
WELCOME YOU!
